## TOP BEAUJOLAIS FROM THE OUTSTANDING 2015 VINTAGE

=====

*DOMINIQUE PIRON is one of the best producers in Beaujolais. He owns some of the region's choicest plots plus another asset beyond price: a vast sea of extremely old vines. Such vines give very concentrated juice and great depth of flavour. I've tasted a good thirty Beaujolais vintages and 2015 is one of the very greatest. The wines are lustrous, richly aromatic, and very long. While delicious already all will improve with age.*
